**ATTENTION OF LICENSING AND REVIEW**  
**REQUEST FOR RECONSIDERATION**

Dear Sir:

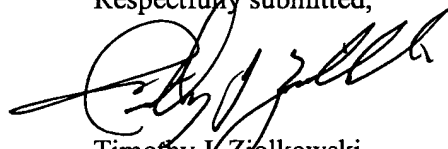

In response to the communication mailed November 4, 2004 in the above-referenced case, Applicant requests reconsideration regarding the applicability of §305(c) of the National

Albrecht, Bruce

S/N: 10/709,836

Aeronautics and Space Act, 42 U.C.S. 2457. Applicant believes that the initial, informal request from Licensing and Review is in error. A review of the application will demonstrate that the technology has no relationship to NASA. Additionally, the assignment to Illinois Tool Works demonstrates that there is no relationship with this invention with NASA nor is there any ownership interest conveyed to NASA in the above-referenced patent application.

Respectfully submitted,
